RULES OF

THE COMMITTEE ON ADMISSIONS

The attention of members is called to the following Rules of the Committee on Admissions, as recently amended:

RULE V.—A stated meeting of the Committee shall be held on the first Wednesday evening of each month, except the months of July, August and September. The hour of such meeting, unless otherwise determined by the Committee, shall be half-past eight o'clock.

Rule X.—Candidates may be proposed for membership at any time after they have been graduated from a college or university conferring degrees to obtain which at least three years' residence and study are required.

The proposer and seconder of each candidate shall sign a blank form to be supplied by the Committee on Admissions and state the full name, residence, place of business, and profession or occupation of the candidate, the name of the college or university from which he was graduated, the year of his graduation and the degree received by him. They shall also state the number of years he actually spent as a student in residence at the college or university conferring the degree, and if while studying for a degree he was in residence at more than one, the names of and length of residence at each.

If the eligibility of the candidate depend upon an honorary degree, the fact that the degree is honorary, and the year when conferred, shall be stated.

The signed form shall be filed with the Committee and if in proper order, the candidate shall be immediately posted. If not in proper order, it shall be returned for correction and the candidate shall not be posted until the correction is made. A member desiring to be substituted in place of an original proposer or seconder, may authorize the Secretary of the Committee to sign his name as such on the filed form, provided the authorization is made in writing and states the reasons for the proposed change. A copy of the form as altered shall be sent to the substitute.

Letters of recommendation shall also be required from the proposer and seconder.

Further letters respecting the candidate are requested from other members of the Club.

RULE XI.—At each meeting the Committee shall take up for election the names of candidates who have been duly posted, beginning at the top of the list. Preferences, however, may be given to a candidate of special distinction, or, for special reasons, to a candidate who has held the degree which renders him eligible for election for at least twentyfive years, provided that such preference shall have been granted at a previous regular meeting of the Committee by the unanimous vote of the members present; and provided further that a member of the Committee at a regular meeting held previous to the meeting at which the candidate's name is considered, shall have given notice of his intention to move a preference for such candidate. The name of a candidate to whom such preference is granted shall forthwith be specially posted, and may be voted upon at any subsequent regular meeting. Not more than ten candidates thus preferred shall be elected during any one calendar year.

When the name of any candidate shall be reached for consideration, if it then appear that no letter has been received from the proposer or seconder, or that the candidate is not personally known to the number of members of the Committee present required by Rule XIX, or that there is insufficient information before the Committee for final action upon the candidate, the name shall be passed and the pro-

poser and seconder immediately notified that when the name shall be again reached for consideration if the necessary requirements under the rules of the Committee have not been complied with, or if the information before the Committee respecting the candidate is still insufficient, the name will be rejected, unless special considerations are brought to the attention of the Committee, when, upon vote, the name may be again passed, or removed to the foot of the list, or transferred to the special list.

The Committee may, on the written request of the proposer or seconder of a candidate, and when the name is reached in regular order, place it at the foot of the list, or set it back any number of names not less than fifty. When the name is again reached, no further postponement shall be granted unless sufficient reason is shown for transferring it to the special list.

If a candidate other than the holder of an honorary degree shall reach the head of the list before the expiration of two years from the date of receiving his degree, he shall automatically move to the special list until the two years shall expire, when he shall automatically return to the head of the list from which he moved, and therefore, all other provisions of this rule shall apply to his name.

RULE XII.—The President of the university or college, the degrees conferred by which qualify a candidate for election to membership in the University Club, shall be entitled to a preference.

The names of candidates who have previously been members of the Club, and have resigned in good standing, shall be entitled to a preference and shall be especially posted as such.

The name of an Army or Navy candidate who is in active service, or of a candidate who is a member of the diplomatic corps or consular service of a foreign government accredited to this country may be considered at any meeting upon special vote of the Committee.

Rule XIII.—All Army and Navy candidates shall be placed on the Non-Resident list and acted upon in the regular order unless notification shall be made to the Committee to place them on the special list, to which may also be transferred on vote of the Committee all candidates on whose behalf an indefinite postponement shall be requested; and names on said list, other than Army and Navy candidates, shall be considered only on motion of a member, at any time after such name would have been reached in regular order if it had been retained on the regular list.

Rule XVIII.—A candidate for Non-Resident membership shall not be considered by the Committee unless a letter respecting his candidacy has been received from a Resident member of the Club.

RULE XIX.—Candidates for Resident membership must be personally known to at least three members, and candidates for Non-Resident membership must be personally known to at least one member of the Committee present.

RULE XX.—The name of a candidate who has been duly proposed and seconded shall be immediately posted although the degree held by him shall not have been approved by the Council and although two years shall not have elapsed since his graduation.

FRANK H. SIMMONS,

Secretary, Committee on Admissions.

HONORARY MEMBERS

The President of the United States, the Vice-President of the United States, the Chief Justice of the Supreme Court, the Associate Justices of the Supreme Court, the Chief of Staff of the Army, the Chief of Operations of the Navy, the Admiral commanding the United States Fleet, the General commanding the Second Corps Area, and the Commandant of the Naval District comprising New York, shall receive the privileges of the Club during their terms of official service.

RESOLUTIONS OF THE COUNCIL

Passed March 13, 1899

No member of the Council shall hereafter propose or second a candidate for membership in the Club, nor write any letters in relation to any candidate proposed.

Passed November 12, 1917

"In the opinion of the Council, members who sojourn for three months of the Club year within twenty miles of the City Hall are Resident members under Section 10, of Article VIII of the Constitution, but the Council, in applying this rule, may take into consideration the circumstances attending each case."

Passed June, 1923

A person shall be eligible to membership in the Club who shall have received from a university or college on the eligible list the degree of Ph.D. to obtain which he shall have actually spent not less than three years as a student in residence at such university or college, and who shall also possess a baccalaureate degree conferred in course by any institution which in the opinion of the Committee on Admissions is of collegiate grade.

COLLEGES AND DEGREES

List of degrees of universities and colleges qualifying the holders for membership, as determined by the Council. This list is subject to amendment by the withdrawal of the names of any of the universities or colleges or degrees contained in it, or by the addition of others, as the Council may from time to time determine (Article VII, Section 1, of the Constitution).

Members proposing a candidate whose degree in course is not in-

cluded in this list, are required,

(1) To file with the form of proposal required by Rule X of the Committee on Admissions detailed information concerning the requirements as to study and residence for such degree; with especial reference to the time when the candidate received the degree.

(2) To furnish as requested by the Committee on Colleges and Degrees such further information concerning the institution granting

such degree as may be deemed necessary by said Committee.

Unreasonable delay in furnishing the above information will be regarded as ground for adverse report on the degree or institution or both.

THE LIBRARY

The Library Committee submits the following report for the year ending February 28, 1931:

Accessions.—On February 28, 1931, the Library contained 46,424 volumes, 265 engravings and other prints (cared for by the Library), 200 maps, and 9 medals. 817 volumes were added during the year by purchase and 126 by gift. 267 volumes were bound and 319 rebound. 206 volumes were discarded, leaving a net increase of 1004. 8 maps were added during the year.

Important Acquisitions.—The most important purchases of the year were made in the field of bibliography, a field in which strengthening was needed. A few sets of standard English authors were also purchased to replace old and worn editions. Many additions were made to the reference collection in order to keep it active and up-to-date. A list of the more important acquisitions follows:

Shaw, George Bernard. Works, Ayot St. Lawrence edition.

Eliot, George. Works, Jefferson Press edition.

Minutes of the Common Council of the City of New York, 1784–1831, twenty-one volumes.

Arber, Edward. Term Catalogues, three volumes.

Quérard, J. M. La Littérature Française Contemporaine, six volumes.

Lorenz, Otto. Catalogue Général de la Librairie Française, twenty-seven volumes.

Sabin, Joseph. Bibliotheca Americana, parts one hundred twenty-one to one hundred twenty-four.

Dugdale, Sir William. Baronage of England, two volumes.

Private Papers of James Boswell in the Collection of Colonel Ralph Heyward Isham, volumes seven, eight, and nine.

Dictionary of American Biography, volume five.

Surtees, Robert. Novels, ten volumes.

Encyclopædia of the Social Sciences, volumes two and three.

Gesamtkatalog der Wiegendrucke, volume four.

Modern Language Association Publications, first seven volumes.

Dictionnaire de Biographie Française, parts one and two. Breasted, James H. Edwin Smith Surgical Papyrus.

Lamb, Roger. An Original and Authentic Journal of Occurrences During the Late American War.

GIFTS.—The outstanding gift of the year was received from George W. Ellis, a member of the Club, who died on February 8, 1930. In accordance with the terms of his will, the Library received five thousand dollars, a part of which was expended for the work of recataloguing, as stated in the financial report which follows.

Grateful acknowledgment is also made to the following Club members for gifts of one or more volumes:

A most valuable gift among those received from outside sources was the Commemorative Catalogue of the Exhibition of Dutch Art held in the Galleries of the Royal Academy, London, 1929, given by Dr. Humphrey Milford and Dr. Robert W. Chapman of the Oxford University Press.

Colleges, universities, the United States Government, and learned societies were very generous in contributing much useful material.

BINDING.—A considerable amount of binding and rebinding was done during the year. This was made possible by the

Total\$9,909.87

gift of Admiral Willard H. Brownson (\$500.00), which was mentioned in the report of last year. One of the binding problems of the present day is the deterioration of leather bindings caused by excessive heat and lack of humidity. From time to time, a formula, prepared by the Industrial Foreign Products Division, United States Department of Agriculture, has been used with the intention of preventing further deterioration if possible.

CATALOGUE.—Work on the revision of the catalogue, which began on June 1, 1929, continued until February 20, 1931. 11,088 volumes have been recatalogued since June 1, 1929, and approximately 44,000 Library of Congress cards entered. 5,826 volumes were recatalogued and 955 new volumes were catalogued during the year. In the process of recataloguing, the old author and subject catalogues were combined into a single catalogue of authors, subjects, and titles. This work necessitated the purchase of a new catalogue case.

Physical Equipment.—Several improvements were made to the physical equipment. During the spring, eleven new reading lamps were installed in the Main Library and Writing Room, thereby greatly improving facilities for serious study. The ceiling in the Chess Room was redecorated during the summer, a work which has added to the appearance of the room. Twenty-four new newspaper files were purchased for the newspaper racks, equipment which was badly needed. More ephemeral and duplicate material was weeded out on all three floors in order to gain much needed shelf space.

EXHIBITIONS.—In February, an exhibition case was constructed in which the famous elephant folios, Birds of America, by John James Audubon, were placed on exhibition. Special thanks are due Cecil Barret, a member of the Club, the owner of these books, for his generosity in exhibiting them. The Library's small collection of Vergiliana was

placed on exhibition in October, in commemoration of the bimillennium of the poet's birth. The committee hopes to arrange more exhibitions of this kind in the future.

STAFF.—There was one resignation among the members of the staff. Coit Coolidge, assistant librarian, resigned on February 20 to become librarian of the Chaffey Junior College of Ontario, California. Mr. Coolidge came to the Library on June 1, 1929, upon his graduation from the Columbia University School of Library Service. His work was characterized by a high degree of intelligence and faithfulness. He was succeeded by William Hyde, cataloguer and member of the staff since June, 1929.

LIST OF MEMBERS

FEBRUARY 28, 1931

When degrees have been taken at two institutions successively the earlier one only is recorded, and when a degree is honorary, the (*) is used to designate that fact. No list of life members is printed. They are included in the regular lists, with (life m.) after their names.
